

Downtown Waterville's annual holiday parade, held the evening after Thanksgiving, has drawn thousands of families to Main Street for many years and serves as a fun and festive kickoff to the holiday season. What better time of the year to get together and show our community spirit and support for one another! We invite you to participate.

The Children's Discovery Museum is excited to have adopted this wonderful event. The museum has been a staple in the Central Maine community for many years and will be relocating to a larger space in Waterville in the coming years. While we anxiously wait to open the doors of our new location, we are excited to be hosting such a wonderful event for the community.

The 13th Annual Parade of Lights will be held on Friday, November 23, at 6pm. Floats will assemble in the 21 College Avenue parking lot, travel down Main and continue to Castonguay Square with the lighting of the giant spruce and Santa's arrival at Kringleville. We would like to invite all area schools, businesses, churches, organizations and municipalities to participate in the parade by entering a float, marching band, or other appropriate entry.

If you would like to participate in the Parade of Lights, please fill out the attached form and return it by November 2nd. This year, to help alleviate the costs to organize the event, there will be a \$25.00 registration fee to participate. Please note that we are limiting the number of floats to 35, so register early to ensure participation. We ask that you please decorate your float using holiday or winter themed decorations and LIGHTS, LIGHTS, LIGHTS! The more lights the better! Please note that the official Kringleville Santa is the only Santa allowed in the Parade. The same goes for Mrs. Claus!

If you have any questions or wish to register over the phone, please contact Children's Discovery Museum at 207-622-2209.

We look forward to working with you on this spectacular event!
This event will take place, rain or shine! No rain date.
